INTRODUCTION

This Client Agreement and Disclosures Brochure contains the terms and conditions of your Worldsource Financial Management Inc. (“Worldsource”) investment account and is part of the account agreement between you (“you” or the “Applicant/Annuitant”) and Worldsource. Please read this document carefully. This Client Agreement and Disclosures Brochure also contains important regulatory disclosures, definitions and explanations of aspects of your Worldsource account. If you have any questions, please contact your Worldsource advisor or us at 1-800-341-1013.

DEFINITIONS AND EXPLANATION OF RISK TOLERANCE

The New Client Application Form (“NCAF”), or any other update form, evidences your willingness and ability to assume risk and should reflect the relative weighting of the risk associated with the investments you hold in the account. The value of the investments in your account should not exceed the percentage allocation of risk tolerance for that type of investment that you have stated in your NCAF. The levels of risk tolerance are described below:

LOW: Low risk investments demonstrate a low volatility and are for investors who are willing to accept lower returns for greater safety of capital and may include such investments as Canada Savings Bonds, GIC’s and money market mutual funds.

LOW TO MEDIUM: Low to Medium risk investments demonstrate a low to medium volatility but a higher volatility than those described above and may include bond or balanced funds.

MEDIUM: Medium risk investments demonstrate a medium volatility and are for investors that are looking for moderate growth over a longer period of time and may include Canadian dividend, Canadian equity, U.S. equity and certain international equity funds.

MEDIUM TO HIGH: Medium to High risk investments demonstrate a medium to high volatility and are for investors that are looking for long term growth that may include funds that invest in smaller companies, specific market sectors or geographic areas.

HIGH: High risk investments demonstrate a high volatility and/or structural risks, and are for investors who are growth oriented and are willing to accept significant short term fluctuations in portfolio value in exchange for potentially higher long term returns. Investments may include labour-sponsored venture capital funds or funds that invest in specific market sectors or geographic areas such as emerging markets, science and technology, or funds that engage in speculative trading strategies including hedge funds that invest in derivatives, short sell or use leverage. Investments in high risk could result in the loss of part, or all, of your investment.

It is important to note that the above noted investment risk tolerance objectives can be combined such that the apportionment of risk tolerance adds to 100%.

Worldsource and its representatives rely on the risk ratings provided by the mutual fund companies as disclosed in the mutual fund or exchange-traded fund (ETF) prospectus, Fund and ETF Facts document, or investment offering document for non-prospectus investments.

You have a responsibility to carefully consider the information found in the Fund and ETF Fact Sheet and/or prospectus or offering documents which outlines the investment objectives, characteristics and risks of the mutual fund, ETF or exempt market product before deciding to invest. Specifically, without minimizing the importance of any section of the Fund and ETF Fact Sheet or prospectus, you have a responsibility to review the section within the Fund and ETF Fact Sheet entitled “Who is the Fund for?” or prospectus entitled “Who Should Invest in this Fund?”, which describes either or both of the characteristics of the investor for whom the mutual fund may or may not be an appropriate investment, and the portfolios for which the mutual fund is suited or for which the mutual fund should not be used. You have a responsibility to discuss with your advisor any aspect of the Fund and

ETF Fact Sheet and/or prospectus, including a particular mutual fund's investment objectives or risk profile if it does not accord with their own investment objectives or tolerance for risk.

DEFINITION OF INVESTMENT OBJECTIVES AND TIME HORIZON

Income: Your objective is to generate current income from your investments and you are less concerned with capital appreciation. Investments that will satisfy this objective include fixed income investments such as funds that invest in bond or money market funds. However, income may also be derived from equity investments such as those which pay a dividend.

Growth: Your objective is capital appreciation and current income from investments is not a requirement. This may lead you to hold a relatively high proportion of funds that invest in equities if you also have a higher risk tolerance and long term time horizon.

Combined Objectives: It is important to note that the above noted investment objectives can be combined such that the apportionment of objectives adds to 100%.

Time Horizon: Is the period from now to when the investor will need to access a significant portion of the money invested.

LEVERAGING DISCLOSURE: BORROWING MONEY TO BUY INVESTMENTS

PLEASE READ THIS CAREFULLY IF YOU BORROW MONEY TO PURCHASE INVESTMENTS

Regulatory authorities require the delivery of the disclosure information set out below to all investors who buy mutual funds, ETFs or exempt market products (investment funds) and in particular, to investors considering borrowing money from any source to purchase investments. The purpose of this disclosure is to make investors aware of the **HIGH** risk involved in borrowing to invest. Using borrowed money to finance the purchase of securities involves greater risk than a purchase using cash resources only. If you borrow money to purchase securities your responsibility to repay the loan, and pay interest as required by its terms, remains the same even if the value of the securities purchased declines. **In simple terms, you are still responsible to pay back your loan, even if your investment has no, or less than anticipated, value.**

Here are some risks and factors that you should consider before borrowing to invest:

Is it Right for You?

Borrowing money to invest is risky. You should only consider borrowing to invest if:

- You are comfortable with taking risk.
- You are comfortable taking on debt to buy investments that may go up or down in value.
- You are investing for the long-term.
- You have a stable income.

You should not borrow to invest if:

- You have a low tolerance for risk
- You are investing for a short period of time.
- You intend to rely on income from the investments to pay living expenses.
- You intend to rely on income from the investments to repay the loan. If this income stops or decreases you may not be able to pay back the loan.

You Can End Up Losing Money

- If the investments go down in value and you have borrowed money to invest, your losses would be larger than had you invested using your own money.
- Whether your investments make money or not you will still have to pay back the loan, plus interest. You may have to sell other assets or use money you had set aside for other purposes to pay back the loan.
- **If you used your home as security for the loan, you may lose your home.**
- If the investments go up in value, you may still not make enough money to cover the costs of borrowing.

Tax Considerations

- You should not borrow to invest just to receive a tax deduction.
- Interest costs are not always tax deductible. You may not be entitled to a tax deduction and may be reassessed for past deductions. You may want to consult a tax professional to determine whether your interest costs will be deductible before borrowing to invest.

JOINT ACCOUNT AGREEMENT DISCLOSURE AND EXPLANATION

Joint Tenants with rights of survivorship (“Joint Tenancy”) are not the same as Tenants in Common. In a Joint Tenancy account, upon the death of either of the account holders, the entire interest in the joint account shall be vested in the survivor’s account.

In the case of Tenants in Common, in the event of the death of either or any of the account holders, the interest of the deceased account holder shall be vested in the estate of the deceased, and the interests of the surviving account holders shall remain as they were before he co-tenant died.

But in either case, taxes, costs, expenses or other charges becoming a lien against or payable out of the account as the result of the death of the deceased, or through exercise by his or her estate or representative of any rights in the account shall, so far as possible, be deducted from the interest of such deceased. This provision shall not release the estate of the deceased from liability.

In consideration of Worldsource carrying a joint account for the account holders, the account holders jointly and severally agree that each of them shall have authority on behalf of the joint account to; receive demands, notices, confirmations, report statements of accounts and communications of every kind; receive money, securities and property of every kind and to dispose of same; make agreements relating to any of the foregoing matters and to terminate or modify same or waive any of the provisions thereof; generally deal with Worldsource as fully and completely as if they alone were interested in said account, **all without notice to the other or others in, or interested in**, said account. Worldsource is authorized to follow the instructions of any of the account holders in every respect concerning the said joint account with Worldsource and to make deliveries to any of the account holders, or upon such instructions, of any or all securities in the said joint account and to make payments to any of the account holders, or upon his/her order, of any or all monies at any time or from time to time in the said joint accounts as he/she may order and direct, **even if such deliveries and/or payments shall be made to him/her personally, and not for the joint account of the account holders**. In the event of any such deliveries of securities or payments of monies to any of the account holders as aforesaid, Worldsource shall be under no duty or obligation to inquire into the purpose or propriety of any such demand for delivery of securities or payment of monies, and Worldsource shall not be bound to see the application or disposition of the said securities and/or monies so delivered or paid to any of the account holders. The authority hereby conferred shall remain in force until written notice of the revocation addressed to Worldsource is delivered to Worldsource’s head office.

The liability of the account holders with respect to said account shall be joint and several. As continuing security for the discharge of the obligations under the joint account, the account holders further jointly and severally pledge to Worldsource all property Worldsource may at any time be holding or carrying for any one or more of the account holders. Such pledge to be in addition to and not in substitution of the rights and remedies Worldsource otherwise would have. Provided notice of sale is given, Worldsource shall have the right to sell the property pledged to Worldsource by public or private sale on such terms and conditions as Worldsource may see fit and apply the net proceeds to the payment of any amounts due under this joint account. It is further agreed that in the event of the death of either or any of the account holders, the survivor or survivors shall immediately give Worldsource written notice thereof and Worldsource may, before or after receiving such notice, take such proceeding, require such papers and inheritance or estate tax waivers, retain such portion of and/or restrict transactions in the account as Worldsource may deem advisable to protect Worldsource against any tax, liability, penalty or loss under any present or future laws or otherwise. The estate of any of the account holders who shall have died shall be liable and each survivor shall continue to be liable, jointly and severally, to Worldsource for any net debit balance or loss in said account in any way resulting from the completion of transactions initiated prior to the receipt by Worldsource of the written notice of the death of the decedent or incurred in the liquidation of the account or the adjustment of the interest of the respective parties.

Clients may contact us at any time to provide further information or to inquire as to the status of their complaint by contacting the individual handling their complaint.

Settlements

If we offer you a financial settlement we will ask you to sign a release and waiver for legal reasons.

Compensation:

The MFDA does not order compensation or restitution to clients of Members. The MFDA exists to regulate the operations, standards of practice and business conduct of its Members and their representatives with a mandate to enhance investor protection and strengthen public confidence in the Canadian mutual fund industry. If you are seeking compensation, you may consider the following:

- Ombudsman for Banking Services and Investments (“OBSI”): You may make a complaint to OBSI after you have complained to the dealer, at either of the following times:
 - If the dealer’s Compliance Department has not responded to your complaint within 90 days of the date you complained, or;
 - After the dealer’s Compliance Department has responded to your complaint and you are not satisfied with the response. **Please note that you have 180 calendar days to bring your complaint to OBSI after receiving the dealer’s response.**

OBSI provides an independent and impartial process for the investigation and resolution of complaints about the provision of financial services to clients. OBSI can make a non-binding recommendation that your firm compensate you (up to \$350,000) if it determines that you have been treated unfairly, taking into account the criteria of good financial services and business practice, relevant codes of practice or conduct, industry regulation and the law. The OBSI process is free of charge and is confidential. OBSI can be contacted:

- By telephone in Toronto at (416) 287-2877, or toll free at 1-888-451-4519
- By E-mail at ombudsman@obsi.ca
- Legal Assistance: You may consider retaining a lawyer to assist with the complaint. You should be aware that there are legal time limits for taking civil action. A lawyer can advise you of your options and recourses. Once the applicable limitation period expires, you may lose rights to pursue some claims.
- Manitoba, New Brunswick and Saskatchewan: Securities regulatory authorities in these provinces have the power to, in appropriate cases, order that a person or company that has contravened securities laws in their province pay compensation to a claimant. The claimant is then able to enforce such an order as if it were a judgment of the superior court in that province. For more information, please visit:

Manitoba: www.msc.gov.mb.ca New Brunswick: www.nbsc-cvmnb.ca Saskatchewan:

www.fcaa.gov.sk.ca

- In Québec:
 - If you are not satisfied with the outcome or with the examination of a complaint, the Autorité des marchés financiers (“AMF”) can examine your complaint and may provide dispute resolution services.
 - If you think you are a victim of fraud, fraudulent tactics or embezzlement, you can contact the AMF to see if you meet the eligibility to submit a claim to the *Fonds d’indemnisation des services financiers* (“Financial Services Compensation Fund”). Worldsource is required under securities legislation and MFDA Rules to ensure each recommendation made is suitable for you in relation to your risk tolerance, investment objectives and other personal circumstances. The obligation to make a suitability determination applies to trades proposed by you, whether or not a recommendation is made by your mutual fund advisor. Worldsource must also assess the suitability of investments in your account when you transfer assets into a Worldsource account, when Worldsource becomes aware of a material change in your information, or when there is a change in the Worldsource mutual fund advisor responsible for your account.

INVESTMENT PERFORMANCE BENCHMARKS

Comparing your portfolio's performance to that of an appropriate benchmark is a useful exercise for monitoring purposes. Benchmark comparisons are one of many ways for you to determine if your investment approach is delivering the desired results, or whether changes might be called for. Investment benchmarks are also helpful for developing realistic expectations about returns your portfolio can generate over the long term.

Investment benchmarks usually provide a broad measure of the return generated by specific asset classes over a given period. They are often referred to as reference indices since the most common form of investment benchmark is an index – such as a stock or bond index.

A benchmark must replicate the fund or portfolio you are monitoring as closely as possible for the comparison to be meaningful. Examples of benchmarks would include the S&P/TSX for Canadian Equity Funds, the DEX Universe for Bond Funds and the S&P 500 for U.S. Equity Funds. For a portfolio composed of funds from several different asset classes, the appropriate benchmark would be a blend of indices weighted according to the portfolio's asset mix.

PROCEDURES REGARDING HANDLING OF CASH AND CHEQUES

Worldsource clients should never make a cheque for investment purposes payable to any financial advisor personally or to their corporation. Cheques should always be made payable to the name of the dealer/financial institution the advisor is registered with: i.e. Worldsource Financial Management Inc. Worldsource does not permit your mutual fund advisor to accept cash from clients for either the purchase of mutual fund products or certain prospectus exempt securities.

DEALER COMPENSATION

The following information summarizes the various categories of dealer compensation available to distributors of mutual fund securities:

FRONT-END LOAD FUNDS

Funds which are sold on a sales charge basis require the deduction of a sales commission from the amount of your purchase order. The net amount of your investment is then invested in securities of the fund at the net asset value.

NO LOAD FUNDS

Funds which are sold on a no load basis are sold without a commission or sales charge. The net amount of your investment is then invested in securities of the fund at the net asset value and does not require a deduction from the amount of your purchase order at the time of purchase. Note that many no load funds pay service fees.

DEFERRED OR LOW LOAD SALES CHARGE FUNDS

Funds which are sold without an initial sales charge require no deduction from the amount of your purchase order at the time of purchase, but your investment may be subject to a redemption charge if the securities which you purchased are redeemed within a specified time after purchase. Under the deferred or low load sales charge method of purchase, the distributing dealer receives a sales commission at the time of purchase arranged by the fund sponsor.

FEE BASED ACCOUNTS

A fee based account offers investors an alternative to traditional front end or deferred sales charge style mutual funds. Instead of a commission paid at the point of sale (“front-end load”) or at the point of redemption (“deferred sales charge”), in a fee based account, clients are charged a fixed transparent fee which is charged to their account. These fees are deducted directly from the mutual fund account instead of being applied to each transaction. The fee based account invests in what are commonly known as f-class mutual funds which do not carry a front end charge or deferred sales charge. Worldsource offers a fee based platform through the PureFlex Program.

SERVICE FEES (TRAILER COMMISSIONS)

The fund sponsor generally pays service fees to a dealer so long as that dealer’s Applicant/Annuitant remains invested in the fund. Service fees encourage dealers to provide ongoing services to their Applicant/Annuitant after the date of the purchase, for which no sales commission would otherwise be received. Some fund sponsors do not pay service fees to dealers.

OTHER SALES INCENTIVES

Fund sponsors may provide other sales incentives if allowable under mutual fund sales practices rules. Some incentives that are allowable include: co-operative marketing support, support of dealer educational conferences, continuing education expenses, and nonmonetary promotional items of a nominal value.

In performing services on your behalf, Worldsource advisors may be eligible to receive compensation from one or more sources. Your mutual fund advisor can give you a complete explanation of the compensation he or she will receive if you buy units of a particular mutual fund, ETF or exempt market product. In recommending a mutual fund, ETF or exempt market product purchase to you, it is your advisor’s responsibility to ensure that the investment selected is suitable for your specific investment objectives, your financial position and the level of risk you are willing to assume, regardless of the nature or source of compensation received from the purchase transaction.

A summary of fund expenses, investor expenses and all dealer compensation is required to be set out in the Fund and ETF Fact Sheet or on the inside front cover of each fund prospectus, with such items more fully explained in the text of the prospectus. You have an obligation to read the Fund and ETF Fact Sheet and/or prospectus carefully before investing and retain it for future reference, together with all other information pertaining to your investment provided by Worldsource or by the fund.

PAYMENT OF INDEBTEDNESS

You will promptly pay all indebtedness when due. For the purposes of this agreement, the term “indebtedness” at any time means all indebtedness of you to Worldsource as set out in any statement of account or other communication sent by Worldsource to you and includes interest on any credit extended to you and the reasonable costs of collection of payment owed to Worldsource, together with legal fees associated therewith. You agree to pay for all the securities purchased on the day of settlement. If you hold segregated funds in your account in nominee name, you irrevocably appoint Worldsource as your attorney for the purposes of making any withdrawals from any segregated funds held in your Worldsource account, required to pay fees or expenses owing in that account.

PLEDGE AND USE OF COLLATERAL

As continuing collateral security, for the payment of any indebtedness which is now or which may in the future be owing by you to Worldsource, you hereby pledge to Worldsource all of your Investment Products and cash, including any free credit balances, which may or hereafter be in any other account in which you have an interest and whether or not any amount owing relates to the Collateral pledged. Such rights may be exercised separately, successively or concurrently. Worldsource shall not be required by this agreement to exercise any such rights nor shall it be required to exercise any right prior to exercising any other right. The failure to exercise any or all of such rights or the granting of any indulgence shall not in any way limit, restrict or prevent Worldsource from exercising such rights at any subsequent time and shall not limit, reduce or discharge any indebtedness or part thereof. Any such sales or purchases for the account may be made upon any exchange or market or at a public or private sale upon such terms and in such a manner as Worldsource deems advisable. If demand is made or notice given to you by Worldsource, it shall not constitute a waiver or any of Worldsource’s rights to act hereunder without demand or notice. Any and all expenses (including any legal expense) reasonably incurred by Worldsource in connection with exercising any right may be charged to the account. You shall remain liable to Worldsource for any deficiency remaining following the exercise by Worldsource of any or all of the foregoing rights and agrees that the rights which Worldsource is entitled to exercise pursuant to this section are reasonable and necessary for its protection having regard to the nature of securities markets, including in particular, their volatility.

However, trade confirmations may not be sent where the manager of a mutual fund, ETF or exempt market product sends the required information. Also, where a client enrolls in a systematic trading account on a monthly or more frequent basis, Worldsource may send a confirmation for the initial purchase only.

FEES

Worldsource may at any time, or from time to time, take any monies or Investment Products in the account and any proceeds from the sale or other disposition of such Investment Products to pay or cover any fees or charges that may be applicable by you to Worldsource, including but not subject to transfer fees and returned items. PUREFLEX PROGRAM - NOMINEE ACCOUNTS

The PureFlex Program is a non-discretionary program where your Worldsource Mutual Fund Advisor provides investment advice and commission-free trades, for an annual fee based on the value of the assets in your account, charged monthly. The PureFlex service contemplates F-Class and No Load Funds that do not pay a service fee, only, in an effort to allow the Account to be administered by the Worldsource Mutual Fund Advisor and Worldsource Head Office. The fee for the service is an agreed upon amount, determined by the Client(s) and the Worldsource Mutual Fund Advisor.

Clients can choose to have the fees paid in one of three ways:

- 1) EFT from their selected bank account
- 2) Redeemed from a selected fund within the account
- 3) Redeemed using the following default logic:
 - i) CCA (Cash) for any amount available
 - ii) Money market with the highest market value (No load or Front end)
 - iii) Canadian Fund with the highest market value (No load or Front end)
 - iv) Foreign Fund with the highest market value (No load or Front end)
 - v) Money Market with the highest market value (Deferred Sales Charge)
 - vi) Canadian Fund with the highest market value (Deferred Sales Charge)
 - vii) Foreign Fund with the highest market value (Deferred Sales Charge)

US Dollar Denominated Funds are not eligible for the program. Worldsource reserves the right to remove any account from the program with 60 days' notice if the asset level drops below minimum thresholds. In the event you close your Worldsource PureFlex Account and it is transferred from Worldsource, the monthly fee will continue to be effective until the transfer is complete. Worldsource does not offer tax consultation or advice. All, or part, of the fee may be tax deductible for a Nominee Non-Registered account. Please consult with a Tax Professional for a review of your particular situation.

SYSTEMATIC WITHDRAWALS (AWD/RIF) - NOMINEE ACCOUNTS

For Self-Directed Registered Income Funds (RIF) annuitants are required to withdrawal a minimum amount every year as instructed by Canada Revenue Agency (CRA). If no instructions are provided, to facilitate the payment of this minimum on an annual basis, Worldsource will set up a recurring annual payment to be made to the annuitant every December 15th. The payment will be issued to the annuitant and the subsequent tax receipt mailed within the first 60 days of the following year. The payment will be made by redeeming assets within the account using the logic outlined below for selecting an investment to redeem.

Occasionally investments selected to redeem for RIF and AWD payments may become depleted. When that occurs Worldsource will implement the default logic below in order to ensure payment to the client continues. Notification will be made to the advisor of record and upon receipt of new instructions Worldsource will modify the payment going forward. The default logic used is outlined as follows.

LOGIC FOR DEFAULT RIF AND AWD PAYMENTS

1. CCA (Cash) for any amount available
2. Money market with the highest market value (No Load or Front End)
3. Canadian Fund with the highest market value (No Load or Front End)
4. Foreign Fund with the highest market value (No Load or Front End)
5. Money Market with the highest market value (Deferred Sales Charge)
6. Canadian Fund with the highest market value (Deferred Sales Charge)
7. Foreign Fund with the highest market value (Deferred Sales Charge)

- 1 **Registration:** The Trustee will apply for registration of the Plan under the provisions of the Income Tax Act (Canada) (the "Act") and any applicable provincial income tax legislation relating to retirement savings plans as designated from time to time in writing by the Annuitant (the Act and such provincial income tax legislation being hereinafter collectively referred to as "Applicable Tax Legislation").
- 2 **Common-Law Partner and Common Law Partnership:** Any reference to "spouse" contained in the Declaration of Trust or in the Application means "spouse or common-law partner" and any reference to "marriage" contained in the Declaration of Trust or in the Application means "marriage or common-law partnership".
- 3 **Contributions:** The Trustee shall accept only such payments of cash and other transfers of property acceptable to it as may be directed by the Annuitant or the Annuitant's spouse or common-law partner, or by the employer (the "Sponsor") named on the application and permitted by the Applicable Tax Legislation, the same together with any income there from constituting a trust fund (the "Fund") to be used, invested and held subject to the terms hereof. The Sponsor shall be solely responsible for ensuring that any payments or transfers into the Plan which are requested by the Annuitant or, where applicable, the Annuitant's spouse or common-law partner, are paid to the Trustee.
- 4 **Investment:** The Plan shall be invested and reinvested by the Trustee, on the direction of the Annuitant, in such investments as the Trustee shall make available from time to time; provided that such investments are qualified investments for trusts governed by retirement savings plans. The Trustee may, but need not, require any such direction in writing. In the absence of a direction from the Annuitant as to the investment of any cash balances forming part of the Fund from time to time, the Trustee will allow interest on such balances at such rate and will credit interest at such time as the Trustee, in its sole discretion, may determine.
- 5 **Annuitant's Account:** The Trustee will maintain an account in the name of the Annuitant showing all contributions made to the Plan and all investment transactions made at the direction of the Annuitant. The Trustee shall forward to the Annuitant, in respect of each year, a statement showing all contributions and investment transactions made and all income and expenses earned or incurred during such period.
- 6 **Income Tax Receipts:** The Trustee shall provide the Annuitant with appropriate information slips, in prescribed form, by the end of February of each year. Such information slips shall show the total of all payments made from the Fund during the preceding calendar year, to enable the Annuitant to report such payments in the Annuitant's income tax return. Also, on or before March 31 of each year, the Trustee shall furnish the Annuitant or the Annuitant's spouse or common-law partner with a receipt or receipts showing contributions by the Annuitant or the Annuitant's spouse or common-law partner during the preceding calendar year and within 60 days thereafter.

The Plan property may be transferred to a registered pension plan for the benefit of the transferor, or to the Annuitants registered retirement savings plan or registered retirement income fund as stipulated in paragraph 146 (16) (a) of the Act. All or part of the property held in connection with the Plan may be transferred to a spouse or common-law partner or former spouse or common-law partner who is living separate and apart and is entitled to the amount under a decree, order or judgment of a competent tribunal or under a written agreement that relates to a division of property in settlement of rights arising out of, or on the breakdown of, their marriage or common-law partnership in accordance with paragraph 146 (16) (b) of the Act. The Trustee may liquidate any investments held under the Plan to the extent deemed necessary to pay out or transfer the amounts requested. Amounts paid or transferred will be in accordance with Applicable Tax Legislation and may be reduced by any tax withholding required thereunder, related fees or costs.
- 8 **Refund of Contributions:** It is the responsibility of the Annuitant or the Annuitant's spouse or common-law partner to ensure that no contribution exceeds the maximum permitted deduction under the Applicable Tax Legislation. The Trustee shall, upon written application of the Annuitant or the Annuitant's spouse or common-law partner, refund to that applicant an amount as defined in paragraph 146(2)(c.1) of the Act. The Trustee may liquidate investments held under the Plan to the extent deemed necessary for that purpose.
- 9 **Retirement Income**
 - a. The value of the plans maintained by the Trustee for the Annuitant shall be invested, used and applied by the Trustee for the purposes of providing a retirement income to the Annuitant in accordance with subsection 146(1) of the Act.

b. The Annuitant will, upon 90 days written notice to the Trustee, specify the date for the commencement of a retirement income, which date shall not be later than the end of the calendar year in which the Annuitant attains age 71, or such other age as prescribed by the Act (such date being referred to herein as "maturity").

- iii. a Registered Retirement Income Fund established in accordance with the provisions of the Act and regulations there under and any successor legislation or regulations

d. Except as otherwise provided or permitted under the Applicable Tax Legislation, any annuity so acquired shall pay equal annual or more frequent periodic payments that:

- vi. shall by its terms not be capable either in whole or in part of assignment if payable to the Annuitant or his spouse or common-law partner; and
- vii. shall provide for commutation if such annuity would otherwise become payable to a person other than the spouse or common-law partner of the Annuitant on or after the death of the Annuitant.

e. If the Annuitant fails to notify the Trustee at least 60 days prior to the end of the calendar year in which the Plan reaches maturity, the Trustee may, at its sole discretion,

- i. liquidate the assets in the Plan and pay the proceeds of such liquidation, or distribute the assets in the Plan, to the Annuitant, subject to any required withholding there from; or
- ii. purchase for the Annuitant a retirement income subject to the requirements of the Plan.

10 Termination of Employment (Applicable to Sponsored Plans Only): Upon notification of termination of employment with the Sponsor,

- a. the Trustee shall not accept any further deposits or transfers to the Plan,
- b. the Annuitant shall direct the Trustee in writing and in a form satisfactory to the Trustee to transfer the value of the Plan to registered retirement savings plan or a registered retirement income fund under which the Annuitant is the annuitant, and

SELF-DIRECTED TAX-FREE SAVINGS ACCOUNT DECLARATION OF TRUST (Applicable to Self-Directed TFSA's)

Canadian Western Trust Company is a trust company incorporated under the laws of Canada. (The words "us", "our" and "we" are also used in this Declaration of Trust to refer to Canadian Western Trust Company.) "You" (the account "Holder") are the person who has completed the New Client application form (the "NCAF"). Within this Declaration of Trust we use the word "Agent" when referencing "agent for the trustee". We agree to act as trustee for your WFM Tax-Free Savings Account (the "TFSA"), created pursuant to the Application and this Declaration of Trust in accordance with the terms and conditions set out below:

- 1 **Registration:** We will file an election to register the TFSA under the *Income Tax Act* (Canada) (the "Act") and any applicable income tax legislation of a province of Canada (collectively, "Applicable Tax Legislation"). If registered, the TFSA will be a "qualifying arrangement" and you will be known for the purposes of the Applicable Tax Legislation as the "Holder" of the TFSA.
- 2 **Purpose of the TFSA:** The primary purpose of the TFSA is to accumulate and invest funds for savings and investment purposes. The TFSA will be maintained for the exclusive benefit of you as the Holder, in accordance with the provisions of subsection 146.2(2)(b) of the Act, except as provided under sections 16, 17 and 21.
- 3 **Compliance:** The TFSA shall, at all times, comply with all relevant provisions of Applicable Tax Legislation. You are bound by the terms and conditions imposed under Applicable Tax Legislation.
- 4 **Contributions:** Deposits to the TFSA made by you according to this Declaration of Trust and the Applicable Tax Legislation will be called the "Contributions". Only you may make Contributions to the TFSA. Contributions may be cash, mutual funds or other property. We will hold the Contributions and any income or gains from them, in trust for you. We will invest and reinvest such income or gains accumulated in accordance with the instructions provided by you. These amounts, together with any amounts transferred to the TFSA under section 11 below, will be called the "TFSA Assets". We are not responsible for determining whether the aggregate of all Contributions made by you to the TFSA in respect of a year exceeds the maximum amount that is permitted to be contributed to the TFSA in respect of the year.
- 5 **Investments:** TFSA Assets will be invested and reinvested from time to time in accordance with your investment instructions or those of your assigns as set out in section 21 (if applicable). Investment instructions must comply with requirements imposed by us, or the Agent, in our sole discretion. Your TFSA will not be limited to investments authorized by law governing the investments of property held in trust other than the investment rules imposed by the Act for a TFSA. We will only act on your instructions if they are in a form acceptable to us and are accompanied by related documents as required by us, in our sole discretion. We may accept and act on any investment instructions, which we believe, in good faith, to be given by you. It is your responsibility to ensure all investments held in the TFSA are qualified investments under the Applicable Tax Legislation. If we do not have any instructions from you at the time we receive a cash Contribution, we will deposit your cash Contribution in an interest bearing account. We will not be responsible for any loss resulting from the sale or other disposition of any investment forming part of the TFSA Assets. No one other than the Holder or the Trustee shall have rights under the Account relating to the amount and timing of Distributions.
- 6 **Non-Qualified Investments and Excess Contributions:** The Trustee will exercise the care, diligence and skill of a reasonably prudent person to minimize the possibility of a non-qualified investment being acquired or held by the TFSA. However, if the Account acquires an investment that is a non-qualified investment for a TFSA, or if property held in the Account becomes a non-qualified investment for a TFSA, it is the responsibility of the holder to file an income tax return and pay the applicable tax under Part XI.01 of the Act. It is also the responsibility of the Account to determine whether there is an excess TFSA amount (as defined under the Act) of the Account at any time in a year. If there is an excess TFSA amount, it is the responsibility of the Account to file an income tax return and pay the applicable tax under Part XI.01 of the Act. If the TFSA becomes liable for any Charges, you will be deemed to have authorized us to sell or withdraw any of the TFSA Assets and obtain a fair market value that we, in our sole discretion, consider appropriate to pay any Charges to the TFSA and we will issue notice to you as prescribed under the Act in respect of any such transaction. We will not be liable for any loss or income taxes incurred as it pertains to the collection of unpaid Charges. It is your responsibility to provide appropriate documents supporting the fair market value of TFSA Assets not publicly traded on a recognized stock exchange within the meaning of Applicable Tax Legislation. Furthermore, we may deem TFSA Assets as worthless and remove them from the TFSA if you cannot provide documents supporting their fair market valuation as we may impose. We will not be liable for any Charges imposed on you or the TFSA under Applicable Tax Legislation or by any provincial or federal regulatory authorities related to the removal of TFSA Assets from the TFSA.
- 7 **Accounting:** We, or the Agent, will maintain records relating to the TFSA reflecting the following:
 - a. Contributions to the TFSA;

- 9 **Withdrawals:** Upon receipt of your written instructions to withdraw all or a part of the TFSA Assets, or the written instructions of your assigns under section 21, we will pay you or your assigns as the case may be an amount less any related fees or costs. Prior to us processing your written instructions, you will ensure sufficient cash is in the TFSA to cover the amount requested or you will withdraw an investment(s) in-kind, equal to the fair market value at the time of the transaction. - 11 **Transfers to the TFSA:** You may request a transfer of amounts to the TFSA from another tax-free savings account or any other source permitted under Applicable Tax Legislation or other applicable law. We may, in our sole discretion, refuse to accept the property into the TFSA for any reason whatsoever and you authorize us to transfer out of the TFSA to you, without notice any property of the TFSA we believe is not or may not be a qualified investment. The terms and conditions of the TFSA will be subject to any additional terms or conditions that may be required to complete the transfer according to applicable law.

All transfer requests may be subject to tax under Applicable Tax Legislation and any other related fees or costs. Once the transfer is issued, we no longer have any further liability or duty to you for the TFSA Assets transferred.
- 13 **Transfers for Division of Property:** You may request a transfer of all or part of the TFSA Assets to a tax-free savings account or under which your spouse or common-law partner (within the meaning of Applicable Tax Legislation) is the holder if the transfer is made under the terms of a decree, order or judgment of a competent tribunal, or of a written separation agreement, that relates to the division of property between you and your spouse or common-law partner or former spouse or common-law partner in settlement of rights arising out of or on the breakdown of your marriage or common-law partnership. We are entitled to deduct our unpaid fees, disbursements, expenses and any other charges from the TFSA Assets and where insufficient cash is available, you authorize us to sell or withdraw any of the TFSA Assets and obtain a fair market value that we, in our sole discretion, consider appropriate to collect unpaid fees, disbursements, expenses and any other charges. We will issue notice to you as prescribed in the Act in respect of any withdrawals from the TFSA Assets and we will not be liable for any loss or income tax incurred as such loss or tax pertains to the collection of any unpaid fees, disbursements, expenses and any other charges.
- 15 **Social Insurance Number:** The social insurance number that you provide on the Account Application shall be deemed a certification by you of its truth and you give us your undertaking to provide additional evidence if we require the proof of its validity
- 16 **Designation of Successor Holder / Beneficiary:** Where effective under applicable provincial law, you may designate one or more beneficiaries of the Arrangement after your death, in accordance with the following and paragraph 17:

 - b. Beneficiary of TFSA Assets: You may designate one or more beneficiary(ies) to receive the TFSA Assets, less any applicable taxes and any fees or expenses payable under this declaration.
- You may make, change or revoke a beneficiary designation by providing us with a written instruction in a form acceptable to us. When the TFSA Assets or the proceeds from the TFSA Assets have been distributed to your designated beneficiary, even though the designation may be invalid as a testamentary instrument, we will be fully discharged of any liability under this Declaration of Trust.
- 17 **Death of a TFSA Holder:** In the event of your death, if you had not designated that your spouse or common-law partner become successor holder in accordance with sub-paragraph 16 (a) above (or you had so designated but your spouse or common-law partner predeceased you), we will, upon receipt of satisfactory evidence of your death and any other documents as it pertains to your death prior to proceeding with a request to distribute the TFSA Assets or the proceeds from the TFSA Assets less any tax under the Applicable Tax Legislation and any other related fees or costs. If you have designated more than one beneficiary under your TFSA, we will

distribute TFSA Assets as designated by you. If we cannot establish a valid designation of beneficiary or beneficiaries, we will distribute the TFSA Assets to your estate. Once the TFSA Assets are transferred or the proceeds of the sale of the TFSA Assets are paid, we no longer have any further liability or duty to your heirs, executors, administrators or legal representatives.

- 18 **Proof of Age:** Your statement of your date of birth in your application will be deemed to be a certification of your age and your undertaking to provide any further evidence or proof of age that may be required for the purpose of determining eligibility to enter into a TFSA. A TFSA is not considered a qualifying TFSA (as defined in section 146.2(1) of the Act) unless the holder is at least 18 years of age when the arrangement is entered into.
- 19 **Ownership and Voting Rights:** The TFSA Assets will be held in our name, the Agent's name, bearer form or any other name that we determine. The voting rights attached to securities held under the TFSA and credited to your account may be exercised by you and for this purpose, you are hereby appointed as our agent and attorney to execute and deliver proxies and/or other instruments mailed by us to you according to applicable laws.
- 20 **Notices:** You may give us instructions by personal delivery, fax or postage prepaid mail (or by such other means as we or the Agent may accept), properly sent to the Agent or to any other address that we designate. We may give you any notice, statement, receipt or other communication by postage prepaid mail, sent to the address recorded in your application or to any subsequent address you provide us. Our notices to you will be deemed to have been given on the second business day after mailing.
- 21 **Restrictions and Security for Indebtedness:** Where the Holder uses his or her interest or right in the Account as security for a loan or other indebtedness, the Holder shall be responsible for ensuring that the terms and conditions of the loan or other indebtedness are terms and conditions that persons dealing at arm's length with each other would have entered into, and it can be reasonably concluded that none of the main purpose for that use is to enable a person, other than the Holder, or a partnership to benefit from the exemption for tax of any amount under the Account. The Trustee is prohibited from borrowing money or other Property for the purposes of the Account.
- 22 **Amendments:** We may, from time to time, in our sole discretion, amend the terms of the TFSA and this Declaration of Trust, providing that such amendments shall not disqualify the TFSA as a qualifying arrangement within the meaning of Applicable Tax Legislation. We will obtain approval from the necessary provincial and federal authorities if any amendments are made and as required. We will provide you with thirty (30) day notice of any amendments unless it is made for the purpose of satisfying a requirement imposed by the Tax Laws.
- 23 **Delegation of Duties:** Without limiting our responsibility as Trustee of the TFSA, we may appoint agents and may delegate to our agents the performance of administrative and any other duties required under the TFSA and Declaration of Trust. We may engage accountants, brokers, lawyers or others for their advice and services and may rely on them for the same. We may pay to any agent or advisor a fee under the provisions of this Declaration of Trust but we will not be liable for any acts, omissions or negligence of any of our agents or advisors so long as we have acted in good faith. We acknowledge that we are ultimately responsible for the administration of the TFSA.
- 24 **Liability of Canadian Western Trust Company:**
- i) The Trustee and Agent will exercise the care, diligence and skill of a reasonably prudent person to minimize the possibility of a nonqualified investment being acquired or held by the TFSA.
 - ii) Notwithstanding any other provisions hereof, the Trustee (including, for greater certainty, the Agent) will not be liable in its personal capacity for or in respect of any taxes or interest which may be imposed on the TFSA under Applicable Tax Legislation (whether by way of assessment, reassessment or otherwise) or for any charge levied or imposed by any governmental authority upon or in respect of the TFSA, as a result of the purchase, sale or retention of any investment including, without limiting the generality of the foregoing, non-qualified investments, other than taxes, penalties, interest or for any charge levied or imposed by any governmental authority upon or in respect of the TFSA on the Trustee arising from its personal liability, including without limitation, arising from its administrative error, under Applicable Tax Legislation: or any loss suffered or incurred by the Annuitant, the TFSA, or any beneficiary under the TFSA caused by or resulting from the Trustee acting or declining to act upon instruction given to it, whether by the Holder, a person designated by the Holder or any person purporting to be the Holder, unless caused by the Trustee's dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard.
 - iii) The Holder, his or her legal personal representative, and each beneficiary under the TFSA will at all times, indemnify and save harmless the Trustee in respect of any taxes, interest, penalties or other governmental charges which may be levied or imposed on the Trustee in respect of the TFSA or any losses incurred by the TFSA (other than taxes, interest, penalties or other governmental charges or losses for which the Trustee is liable in accordance herewith) as a result of the acquisition, retention or transfer of any investment or as a result of payments out of the TFSA made in accordance with these terms and conditions or as a result of the Trustee acting or declining to act on any instruction given to it by the Holder. The Holder, where required or requested, will provide the Trustee or Agent with such information as it may require in order to value assets being acquired or held by the TFSA.

- 25 **Indemnification:** You, your heirs, executors, administrators, legal representatives or assigns and each beneficiary under the TFSA will at all times indemnify the Trustee, its directors, officers, employees and agents and their respective heirs, executors, administrators, personal representatives, successors, assigns and our agents directly and out of the TFSA Assets for any taxes, interest, penalties or charges levied or imposed on us in respect of the TFSA, costs incurred in performing our duties under this Declaration of Trust or any losses incurred by the TFSA as a result of any loss or diminution of the TFSA Assets, purchases, sales, or retention of any investments, payments or distributions out of the TFSA made according to these terms and conditions, or acting or declining to act on any instructions given to us, whether by you, a person designated by you or any person purporting to be you or the person designated by you.
- 26 **Successor Trustee:** We may resign as Trustee of the TFSA and be discharged from all duties and liabilities under this Declaration of Trust by giving you and the Agent sixty (60) days written notice. The Agent may remove us as trustee by giving you and us 60 days written notice, or such shorter notice as we may accept. Upon giving or receiving such notice of our removal or resignation, the Agent will within the notice period appoint a successor trustee authorized under the Tax Laws and any other applicable law (the "Successor Trustee"). If a Successor Trustee is not found within such notice period, we and/or the Agent may apply to a court of competent jurisdiction for the appointment of a Successor Trustee. Upon our resignation we will provide the successor trustee with all conveyances, transfers and further assurances that may be required to give effect to the appointment of the successor trustee.
- 27 **Governing Law:** The terms of the TFSA will be construed, administered and enforced according to the laws of the Province of British Columbia and the federal laws of Canada applicable in British Columbia.
- 28 **Binding:** The terms of this Declaration of Trust will be binding on your heirs, executors, administrators or legal representatives and permitted assigns and our successors and assigns.
